Web 2.0 – The Web's Edge

Assignment #8– Class #10 / Podcasts

Purpose:

1. To learn how to subscribe to a podcast
2. To learn how RSS can be used to deliver multimedia files

Procedure

1. Set up an account with a web based podcatcher or download a desktop podcatcher.

   You may also use any RSS feed aggregator of your choice.

2. Subscribe to an audio podcast or a video podcast

3. Email me the URL of the website that contains the podcast or the podcast feed. Include the title,

   description and date of an episode in the podcasts in the email, along **with your name**.

Podcast Directories – where to find podcasts

- iTunes Music Store (part of iTunes), Yahoo Podcasts
